# SPOKES PEOPLE

This year, five brilliant contestants competed for top honors in a unique crossword tournament held on a Ferris wheel. Using the clues on the accompanying worksheet, can you determine each player's ranking, the color of their cars, and the crossword entries that gave them the most trouble?

Bonus puzzle: Just for fun, see if you can identify each player's favorite pastime. (This is not required to solve the puzzle and does not factor into the final answer.)

# CIRCULAR LOGIC

For each triplet, find the word that can precede or follow each item.  
 Each 5-letter word will share its first and last letter with a neighbor.  
 Example: NUMBER, MILK, NOTE... they all follow "WHOLE".

# BACKWARDS / FORWARDS

Using the clues on the Backwards/Forwards clue sheet, fill in words in a continuous spiral around the Ferris wheel. Every space will be used twice: once clockwise (starting at 1) and once counterclockwise (starting at 99).

When the puzzle is complete, copy the highlighted squares to the Final Puzzle worksheet.
